

Commercial Induction Cooktop 3500 Watts

Rs. 15300(GST Extra)

This heavy duty induction designed specifically for commercial kitchen use. This induction hot plate offers a high-efficiency, heavy-duty solution for both low-and high-temperature cooking. For superior versatility, it features four manual controls, adjustable from 1-percent to 100-percent of output power. Use the sensitive low-end control for cooking sauces, milks and chocolates, or turn up the power for fast, high temperature cooking. Each unit is also equipped with safety features such as an over-heat protection mechanism, small-article protection, pan auto-detection and an empty pan shutoff.
