

Banana Wafer Machine With Speed Control

Rs. 37200(GST Extra)

Banana Chips Making Machine is a favored snack of most people. Our wide range of Banana Chips Making Machine is able to cut the potato into very thin slices and after that, they are fried in cooking oil as they reduce their moisture.

Vegetable Slicing machines can slice Vegetables like banana, potatoes, and cucumber, etc with the desired width. By installing the different blades, it can also be used to cut root vegetables into strips or pieces, such as bamboo shoots, turnip, and potato. It's highly efficient and can work with an automatic production line. This machine also fits the user in the kitchen of restaurant and school, vegetable retailer and food processing factory, etc.
