

Bone Saw Machine Sirman SO 1650 F3

Rs. 142000(GST Extra)

Table-top Bone Saws Machine comes with anodized aluminium alloy construction, polished, hygienic and rustproof. The attached cutting table, meat pusher and meat pusher made with stainless steel AISI 304. For safety purpose there is 24V controls with safety codified micro switches on the door and motor brake (according to new CE safety rules). Maximum blade adhesion to the pulley, thanks to the semi-curved shape of the pulleys and ideal adjustment. 16 mm wide tempered ring-blades useful for cutting bones or meat (frozen or fresh). By simply unscrewing two knobs, you can remove the blade, upper pulley and its support.
