

Sandwich Maker Aluminium Plain Plate

Rs. 28000(GST Extra)

Create your most popular sandwiches, quesadillas, hamburgers, and more with this grooved top and bottom commercial sandwich griller. This sandwich griller features different watts of heating power for fast and thorough cooking. Removable crumb collector for easy cleaning. Its grooved top provides tantalizing grill marks for an excellent presentation, and the grill bottom plate ensures complete contact with your product and consistent, even heat supply. The temperature is easily adjustable between 50 and 300 degrees Fahrenheit to cook or warm a wide variety of foods, while the stainless steel exterior and enameled cast iron plates ensure long-lasting durability and strength.
