

Tilting Wet Grinder 40Ltr

Rs. 120000(GST Extra)

Cookkart's added to its product line presents commercial tilting wet grinder is a smart product for the efficient and fine grinding backed with tilting features. It is highly reliable when it comes to fresh grinding of batter for Dosa, Idly, Vada & much more to serve the big gatherings a healthy dishes. The cylindrical grooved stones enable easy & fine grinding of the batter supported with the high torque motor. The Equipment is made up of high-quality stainless steel food-grade material. The commercial tilting wet grinder utilizes a rotating drum mounted with a roller which turns the food materials into a fine paste which also helps in easy transfer of batter, masala and other food items to a collecting vessel with a very less effort compared to conventional wet grinders. It is less time consuming & can be tilted to collect the food material from the drum. It comes with a warranty of one year with a 40- litre capacity.
