

## Visi Cooler 1200 Ltrs

**Rs. 117800(GST Extra)**

In the world of refrigeration, Copper is the Gold Standard. The new Copper Plus series visi coolers from Trufrost are a cut above the rest. These coolers are built with copper in the compressor and forced air evaporator and condenser with copper tubes. Other features include a special Low-E glass on the doors and durable aluminium door frames tested for 3,00,000 openings/closings. A comprehensive set of superior features of the Copper Plus series is described on the next page. These innovative cooling displays are available in 380 to 1200 litre capacities and single or double door variants.

### Technical Specifications

Defrost	Automatic
Dimension W x D x H (mm)	1152 x 785 x 2187
Gross Volume (Litres)	1200
Interior Light	LED light
Lock	Yes
Model	VC-1251 Copper Plus
No. of Compressors	1
No. of Lids / Doors	2
No. of shelves	12
Power (W)	466
Refrigerant	R134a
Temperature range (in °C)	2 - 8°C
Wheels / Castors	Yes

17 May 2024 - Price Valid For 15 days
