

Ice Machine with self contained bin 50Kgs

Rs. 93300(GST Extra)

Highly relevant for commercial outlets where space is at a premium, this self contained Trufrost Ice Machine produces Dice shaped ice cubes and presents a good option for bars, coffee shops and restaurants and can also be used for undercounter applications. Just connect your ice-maker to a purified water inlet or insert a bottled water jar, turn the machine on, and you can begin to enjoy perfect ice within minutes. Designed to automatically turn off when the storage bin is full, it ensures a high level of energy efficiency.
