

Ice Machine without storage bin 900 kgs

Rs. 449200(GST Extra)

This 3 phase, modular ice machine produces high quality Diced shaped ice cubes with a rated capacity of 950 kgs per day and comes with a separate storage bin. Trufrost modular ice machines come with a vertical evaporator and are specially designed for large scale usage such as fast foods, discos, hotels and bars. They have a surprisingly low water consumption per kg of ice produced and combine maximum energy yield whilst ensuring low investments and operating costs. Compatible Ice Storage Bin ISB-315 is available separately at an extra cost.

Technical Specifications

Compatible Storage Bin	ISB-315
Cube Shape / Size	Dice / 28*28*22 mm
Dimension W x D x H (mm)	1227*973*2048
Electricals	380V/50Hz/3Phase
Ice Storage Capacity	315 kg
Model	IC-950
Power (W)	4500
Rated Capacity / 24 hrs	950 kgs.
Refrigerant	R404a
