Rs. 22500(GST Extra)

These machines are used extensively to manufacture premium quality MURUKKU, SEVAI, PAPDI, NAMKEEN. Our machine can be fitted over the frying pan. Conveyor type machine are also available for the bulk production of murukku, snacks, and namkeen

Namkeen is a traditional Indian snack. Apart from being a popular snack item, it aids in digestion too due to the presence of various spices in it. It is made by gram flour. Spices and other additives are added to the gram flour to make the dough. The dough for Namkeen is made to pass through a simple extruder which makes fine strands of the dough. The strands are fried in the frying pan in hot cooking oil.
