

Commercial Sink Stainless Steel Triple

Rs. 30800(GST Extra)

Sinks a vital piece of kitchen equipment, Stainless Steel sinks are essential to preparing meals, cleaning wares, and maintaining food safety standards. Indeed, you can find sinks in just about every shape and size to suit any restaurant setup, but you'll want to make sure to invest in extra hand sinks in addition to your primary dishwashing sink setup for cleanliness purposes. Check out our lineup by compartments, shapes, and intended uses to find the right sinks for your commercial kitchen. Compartment sinks are a great option for warewashing and food prep applications. They are available in ranges of Single sink, Double sink and triple sink models

Stainless Steel Sinks are made from premium quality chrome nickel steel giving them stunning beauty while making them highly resistant to staining, rust and corrosion and providing maximum durability. The steel is composed of 17-18% chromium for shine and rust resistance and adds extra corrosion protection
