Perforated Gn Pan 1/2 8" Depth

 1,525

This pan is particularly useful for slotting into a buffet station or preparation unit for quick and easy access to foods. Constructed from stainless steel, the pan resists warping and shattering, enabling it to stand up to years of commercial kitchen usage, which saves you money on buying replacements.

The perforations in the bottom allow for steam cooking, giving you another option to cook food during busy periods.
