

Deep Fryer 22ltr Electric Double Tank Indulge

Rs. 22000(GST Extra)

This Dual Tank Electric Deep Fryer features stainless steel construction, timer controls and drainage faucets. Temperature limiter for safety - it can cut off power automatically when the temperature controller breaks down and the working temperature is over. It is designed for commercial uses, such as restaurants, supermarkets, fast food shops, snack bars, etc.

Deep fryers feature a basket to raise food clear of the oil when cooking is finished. Fryers come with features such as timers with an audible alarm, automatic devices to raise and lower the basket into the oil, measures to prevent food crumbs from becoming over cooked, ventilation systems to reduce frying odors, oil filters to extend the usable life of the oil, and mechanical or electronic temperature controls. Deep fryers are used for cooking many fast foods, and making them crisp
