

Waffle Maker Tabletop Double

Rs. 13800(GST Extra)

A waffle iron or waffle maker is a utensil or appliance used to cook waffles. It usually consists of two hinged metal plates, molded to create the honeycomb pattern found on waffles. The iron is heated and either batter is poured or dough is placed between the plates, which are then closed to bake a breakfast delicacies with a sweet dessert flavor, very similar to pancakes but lighter and sweeter. This 200 mm Dia Waffle machine comes with Stain less Steel Body with Teflon coated surface.
