

Centrifugal Juice Machine Automatic Robot Coupe J80

Rs. 121500(GST Extra)

The J80 has a stainless steel motor base, making it both stable and durable. ABS plastic lid will prove difficult to break and able to withstand consistent use. Incredibly easy to operate, this juicer has push-type on and off switch, and the automatic feed lets you continuously put in fruit and vegetables without a problem. So that you are left with just the juice to use in recipes and for drinks, the J80 is designed to extract pulp and spit out into a waste container that sits below the feed hopper.
