

## Cotton Candy Machine

**Rs. 12500(GST Extra)**

This easy to use Candy Floss Maker allows you to make fairground style candy floss in minutes. It spins sugar into bunches of fluffy cotton candy. All you have to do is gather up the yummy wisps on your candy floss sticks and enjoy. As the machine heats up, the central head begins to spin, forcing liquid sugar through its tiny perforations. The instant the threads of sugar hit the air they cool and re-solidify, causing a web of sugary threads to develop in the collection bowl. Make healthy and tasty snack.

Ideal for birthdays, weddings, new years eve or whenever you fancy a tasty treat. Transparent rim guard for easy viewing of making cotton candy. Just add sugar.
