

## Milk Steamer 6ltr Electric

**Rs. 16500(GST Extra)**

A commercial milk steamer is an essential addition to your cafe or bistro. A milk steamer allows you to efficiently transform milk and non-dairy alternatives into foam for popular cafe drinks like lattes, cappuccinos, and macchiatos. To accommodate your establishment's unique setup, you can choose from milk frothers with a water reservoir or a direct connection to your water line.

An electric milk steamer is a convenient and efficient tool for your cafe or restaurant's hot beverage service. Not to mention, each steamer has an attractive, metallic appearance that is ideal for open service areas like busy cafes. For more beverage equipment and supplies, check out our pourover coffee makers and brewers, flavoring syrups, and coffee condiment organizers. If you're wondering where to buy milk frothers and steamers, we have a large selection of milk frothers and steamers for sale at the lowest prices

Can save time by using this machine because the stainless steel milk and water boiler boil both water and milk within 30 minutes. It has an adjustable temperature control. The vessel can be removed for easy wash.
