

Chocolate Fountain Machine 5 Steps Digital

Rs. 31500(GST Extra)

A chocolate fountain is a device for serving chocolate fondue. Typical examples resemble a stepped cone, standing 80cm tall with a crown at the top and stacked tiers over a basin at the bottom. It can be pulled into a center cylinder then vertically transported to the top of the fountain by a corkscrew auger.

The Chocolate Fountain will surely leave the fun flowing on your party as it is a hit with the kids and adults alike. It uses an auger-style mechanism so you do not have to worry about chocolate clogging on the tubes.

Made of stainless steel and a heat-resistant plastic, the Chocolate Fountain will serve for a long life that's worry-free of rust while keeping its features of being both durable and easy to clean. Simply place the Chocolate Fountain on a counter-top or table and let your guests dip into hot and gooey chocolate goodness to fill their heart's desire.
